

# Play Alloa Fundraising: Cocktail Bar Night Guide

---

Looking to have guests over to your house for some drinks and a catch up? Why not raise some money for Play Alloa with a Cocktail Bar Night?

## How it works

---

Instead of going out to a bar, why not invite guests round and have your own Cocktail bar from your home. This fundraiser can be hosted in-person or online.

1. **Get creative.** Email your guests a colourful menu of your own named cocktails
2. **Set each cocktail at different prices.** Create a link to an online Just Giving Fundraiser Page or if you are doing the event in-person they could pay for each cocktail on the day with cash, which can be safely collected and handed into our Play Alloa premises. If you would like help in setting up a Just Giving Fundraiser Page please email [development@playalloa.co.uk](mailto:development@playalloa.co.uk)
3. Additionally each guest can make their own creative cocktail, setting a price which they then donate to the fundraiser page.

**Please drink responsibly and follow legal requirements.**

## **Remember:**

1. **Tell us your ideas/plans ([development@playalloa.co.uk](mailto:development@playalloa.co.uk))**
2. **Connect with our social media/fundraising platforms/donation sites**
3. **Let us know if we can help**
4. **Keep in touch**
