

Play Alloa Fundraising: Driveway/Car Boot Sales Guide

Do you have lots of items around your house that you would like to clear? If so why not host your own driveway sale or car boot sale to help Play Alloa?

How it works

Hosting a Driveway/ Car Boot Sale is easy and doesn't cost anything to set up! Here are some tips on how to set up your sale:

1. **Notify family, friends and/or neighbours about your sale**, and ask them if they would like to donate items towards your fundraiser (or if they have a lot of items, ask them if they would like to join in) and encourage them to come along to the sale.
2. **Choose a date to hold your sale.** Aim to have all of your items you wish to sell ready around two days before the morning or afternoon of your sale.
3. **Promote your sale online, or within the local newspaper.** You could make flyers to put through your neighbours doors encouraging them to come along to the fundraising sale, or you could create posters.
4. **Get some Tables.** Make sure you have an area to set up your sale. You could lay out your items so that everything is grouped together. Be careful with any items that could break easily.
5. **Make sure you have price tags for all of your items.** Post it notes can be stuck next to the items you are selling to let people know how much everything is at a glance. Also make sure you notify everyone where the money you are raising is going.

Play Alloa is more than happy to provide you with any promotional material that you need along with any collecting buckets if anyone would like to make additional donations on the day of your sale.

Suggestions for Donations

1. Clothing, Shoes, Coats, Hats, Belts, Purses/Bags
2. Furniture or Home Décor Items
3. Glassware or Kitchenware
4. CD'S, Albums, Books
5. Flower Arrangements/Plants
6. Toys and Games
7. Sporting Equipment
8. Electronics (ensure they are working)
9. Exercise Equipment
10. Vintage Items

You could also ask for baked goods to be donated to sell alongside your sale. Please ensure correct licensing is in place as food must be labelled accurately to clearly state what ingredients they contain for allergen purposes.

Check out Food Standards Scotland for more information and guidance on baked good licensing and health checks: <https://www.foodstandards.gov.scot/>
